About the Author

Autodidacte, encyclopédiste du bizarre, archéologue du pire, briseur de tabous, rien n'arrête Martin Monestier dans sa quête de l'inimaginable, du scandaleux et de l'occulte. Livre après livre, cet enquêteur de l'extrême pousse l'érudition des incongruités et des extravagances humaines à son comble et révèle ainsi une histoire du monde telle qu'on ne l'a jamais écrite. Ses nombreux livres, au carrefour des sciences humaines et du journalisme, sont tous des œuvres de référence, sans cesse réédités et traduits en de nombreuses langues.

Users Review

From reader reviews:

Gregorio Leslie:

What do you with regards to book? It is not important together with you? Or just adding material when you need something to explain what the one you have problem? How about your spare time? Or are you busy individual? If you don't have spare time to perform others business, it is make you feel bored faster. And you have free time? What did you do? Every individual has many questions above. They should answer that question because just their can do that will. It said that about book. Book is familiar in each person. Yes, it is right. Because start from on kindergarten until university need this specific Histoire et bizarreries sociales des excréments: Des origines a nos jours (Collection "Documents") (French Edition) to read.

Cheryl Cooley:

As people who live in typically the modest era should be change about what going on or info even knowledge to make these people keep up with the era and that is always change and make progress. Some of you maybe will certainly update themselves by studying books. It is a good choice for you but the problems coming to a person is you don't know what one you should start with. This Histoire et bizarreries sociales des excréments: Des origines a nos jours (Collection "Documents") (French Edition) is our recommendation so you keep up with the world. Why, since this book serves what you want and want in this era.

Carmen Bell:
