**Lilith - the First Eve** By Siegmund Hurwitz

In a fascinating excursion though the history of her myth, Seigmund Hurwitz presents and interprets the ancient dark-winged goddess Lilth, aslo know as the first Eve. The authors extraordnary meticulous study of the original sources brings to light a stiking figure long lost from our awareness, yet highly relevant to a psychological understanding of today's evolving masculine and feminine identities. Case material from his analytical practice imbeds Lilith in the everyday problems of contemporary life. That an unbridled life-urge which refuses to be assimilated lies behind depression...seems to me to be a new and important discovery. By combining the experience of a comtemporaryman with this historical material, Seigmund Hurwitz sheds new light on both. - From the Foreword by Marie-Louise von Franz
