**Philosophy Bites Back** By David Edmonds, Nigel Warburton

*Philosophy Bites Back* is the second book to come out of the hugely successful podcast *Philosophy Bites*. It presents a selection of lively interviews with leading philosophers of our time, who discuss the ideas and works of some of the most important thinkers in history. From the ancient classics of Socrates, Plato, and Aristotle, to the groundbreaking modern thought of Wittgenstein, Rawls, and Derrida, this volume spans over two and a half millennia of western philosophy and illuminates its most fascinating ideas.

Philosophy Bites was set up in 2007 by David Edmonds and Nigel Warburton. It has had over 12 million downloads, and is listened to all over the world.

## Editorial Review

### Review

"As a fan of the Philosophy Bites podcast, I'm very pleased to see this publication of conversations with leading scholars on major figures in the history of philosophy. The result is not only a good introduction to that history, but a rare chance to read top-level philosophers speaking extemporaneously about the subjects they know best. Even regular listeners to the podcast will be glad to have this written version of highlights from the series."--Peter Adamson, King's College London

"Engaging and accessible... Readers can enjoy each chapter individually or read the entire book for an understanding of major figures of Western philosophy. As was the first, this book is highly recommended for all general readers with an interest in philosophy." --Library Journal

"Thought-provoking... Illuminating." --Publishers Weekly

"As a fan of the Philosophy Bites podcast, I'm very pleased to see this publication of conversations with leading scholars on major figures in the history of philosophy.
