**The Hollow (The Sign of Seven Book 2)** By Nora Roberts

**#1 New York Times bestselling author Nora Roberts continues the thrilling trilogy of a town plagued by evil—and the three men and three women brought together by fate to fight it.**

*For Fox, Caleb, Gage and the other residents of Hawkins Hollow, the number seven portends doom—ever since, as boys, they freed a demon trapped for centuries when their blood spilled upon The Pagan Stone...*

Now, as the dreaded seventh month looms before them, the men can feel the storm brewing. Already they are plagued by visions of death and destruction. But this year, they are better prepared, joined in their battle by three women who have come to The Hollow. Layla, Quinn, and Cybil are somehow connected to the demon, just as the men are connected to the force that trapped it.

Since that day at The Pagan Stone, town lawyer Fox has been able to see into others' minds, a talent he shares with Layla. He must earn her trust, because their link will help fight the darkness that threatens to engulf the town. But Layla is having trouble coming to terms with her newfound ability—and this intimate connection to Fox. She knows that once she opens her mind, she'll have no defenses against the desire that threatens to consume them both...

## Editorial Review

From [Booklist](#)

Every seven years for seven days the citizens of Hawkins Hollow go crazy. It all began 21 years earlier when three friends—Fox O'Dell, Caleb Hawkins, and Gage Turner—spilled their own blood on the Pagan Stone and released the demon once known as Lazarus Twisse. Ever since then, the three have worked together to limit the damage Twisse causes during his week long reign of terror. Recently, three women—Layla Darnell, Quinn, and Cybil Kinski—have joined their battle against Twisse, but it is going to take everything the six have if they are ever going to eliminate once and for all the evil that threatens Hawkins Hollow. After introducing her new paranormal-tinged series with *Blood Brothers* (2007)—the story of Cal and Quinn—Roberts cleverly continues her deliciously chilling Sign of Seven trilogy with a riveting story that focuses on Fox and Layla, both of whose gift for reading other people's minds plays a key role in the six's demon-defeating plans. --John Charles
