The Twentieth-Century World and Beyond: An International History since 1900 By William R. Keylor

The Twentieth-Century World and Beyond: An International History since 1900 explores the history of modern relations between the U.S., Europe, Africa, Asia, Latin America, and the Middle East. The book's unique analytical framework--which focuses on the relationships between and among countries rather than on individual histories--helps students easily examine how the nations of the world have interacted since the beginning of the last century. *The Twentieth-Century World and Beyond*, Sixth Edition, is ideal for undergraduate and graduate courses in twentieth-century world history, and courses in international relations and international studies.

Editorial Review

Review

"The Twentieth Century World is the best single volume survey of international history, and it is even better in this new edition. Clear, comprehensive, and beautifully balance, it has been a consistent favorite among my students. I don't remember any textbook getting the same kind of uniformly enthusiastic reviews."--James Sheehan, Stanford University

"A leading text on international history since 1900, now updated to include more coverage of the non-Western world, NGOs, humans rights, and environmental issues. Judicious, authoritative, and comprehensive, this work is highly recommended."--Erez Manela, Harvard University

"This fine synthesis adroitly combines regional, national, and transnational levels of analysis into a coherent narrative of twentieth century history. It provides an excellent guide to both the violence that marked this period in history as well humanity's efforts to cope with it."--Emily S. Rosenberg, University of California, Irvine

"The clearest and most useful text on world politics since 1900. My students consistently give it a thumbs up, and so do I."--Charles Lipson, University of Chicago

About the Author

William R. Keylor is Professor of International Relations and History at Boston University.

Users Review

From reader reviews:

Wilma Hines:
