### A Perfect Proposal: A Novel By Katie Fforde

In this delicious romantic comedy, a young Englishwoman gets an unexpected proposal from a dashing American, but it's not what you think

Sophie Apperly's frustratingly dismissive family has never taken her seriously, but they do take advantage of her. So when an old friend offers her the chance of a lifetime, she decides to swap Little England for the Big Apple, and heads off to the land of opportunity.

From the moment Sophie arrives in Manhattan, she's determined to enjoy every minute of her big adventure. And when fate throws her together with Matilda, a spirited *grande dame* of New York society who invites her to Connecticut for Thanksgiving, she willingly accepts. English-born Matilda is delighted with her new friend—though her grandson Luke, undeniably attractive but infuriatingly arrogant, is anything but welcoming.

When Luke arrives in England a few weeks later, Sophie hardly expects him to seek her out. But Matilda has hatched some complicated plans of her own—and so Luke has a proposal to make, but it hardly seems perfect.

With all the warmth and wit that have made Katie Fforde's novels huge bestsellers in the UK, *A Perfect Proposal* is an irresistible tale of love and literature and the quest for a happy ending. Katie Fforde "has imagination to spare, using witty writing and plotting to build a story" (*The New York Times Book Review*).

### Editorial Review

#### From Booklist

Sophie Apperly's artistic family treats her like a servant. In fact, they even offer her services to other relatives. So when "evil" Uncle Ernie's housekeeper goes to Australia for two weeks, Sophie's mother, hoping to move up in the queue for inheritance, volunteers Sophie to take care of him. Uncle Ernie turns out, however, to be delightful, not nefarious, and when her stay is over, Sophie decides that instead of returning to familial servitude, she'll take advantage of her friend Millie's invitation to come to New York City. Millie even secures a nanny position for Sophie, so she'll have enough money to survive. Unfortunately, the job doesn't pan out, and with no green card, it looks as though Sophie will have to go back home. But when Sophie rushes to the rescue of Matilda, an elderly woman who looks as though she's about to pass out, she and her grandson, Luke, begin a whole new chapter in Sophie's life. A witty romance with Bridget Jones appeal. --Shelley Mosley
