## An Autumn War: The Long Price Quartet By Daniel Abraham

Daniel Abraham delighted fantasy readers with his brilliantly original and engaging first novel, and in his second penned a tragedy as darkly personal and violent as Shakespeare's *King Lear*. Now he has written an epic fantasy of much wider scope and appeal that will thrill his fans and enthrall legions of new readers.

Otah Machi, ruler of the city of Machi, has tried for years to prepare his people for a future in which the magical *andat*, entities that support their commerce and intimidate all foes, can no longer be safely harnessed. But his efforts are too little, too late. The Galts, an expansionist empire from across the sea, have tired of games of political espionage and low-stakes sabotage. Their general, a ruthless veteran, has found a way to do what was thought impossible: neutralize the *andat*.

As the Galtic army advances, the Poets who control the *andat* wage their own battle to save their loved-ones and their nation. Failure seems inevitable, but success would end the Galtic threat.

With wonderful storytelling skill, Abraham has wedded the unique magic, high-stakes betrayal and political intrigue of his previous works with a broad tapestry of action in a spectacular fantasy epic.

## Editorial Review

From [Bookmarks Magazine](#)

Much of the praise that SF critics offer for *An Autumn War* sounds like a review of a more-mainstream literary novel, with observations on Abraham's complex and engaging characters, the multiple layers of power throughout his plot, and the excellent writing. "Rarely does the penultimate volume in a series carry such a charge of its own," notes *Locus*. But the reviewers return to full geek mode to gawk over the game-changing plot twist and ensuing cliff-hanger. Subtle plot development and engaging characters are great, they seem to say "but, just to show how compelling this series really is, what they really want is the next (and last) book, *The Price of Spring* (2009).

## Review

"*A Betrayal in Winter* is exactly the kind of book I love: dynamic characters, sharp plotting, and an original, thoughtful take on magic." —Brandon Sanderson, author of *Mistborn*

"Compellingly plotted and elegantly written, *A Betrayal in Winter* is a very successful continuation of what promises to be a significant and original contribution to fantasy literature." —SCIFI.COM

## About the Author

**Daniel Abraham** won the International Horror Award for best short story. His previous novels include *A Shadow in Summer* and *A Betrayal in Winter*, the first two volumes of the Long Price Quartet. He is also the author of the Wild Cards comics miniseries *The Hard Call*, and co-author with George R. R. Martin and Gardner Dozois of the novel *Hunter's Run*. He lives in New Mexico.
