### Excess All Areas: Perfect, uplifting, romantic Greek beach read! (Freya Johnson Book 1) By Mandy Baggot

5 Stars!

Absolutely loved it, definitely a book with the feel good factor.

5 Stars!

This is another enjoyable read from Mandy Baggot. I read this book in one sitting. Freya is a good strong leading character in this beautiful written story set in a picturesque part of Greece.

5 Stars!

It would make a perfect summer holiday book but I think it would make a great read at any time of the year.

When the going gets tough Freya Johnson gets going!

Humiliated by her boyfriend the day she turns thirty, Freya boards a last minute flight to Corfu to visit her best friend Emma. Little does she know - this holiday will change her life forever.

Enter Hollywood film star Nicholas Kaden whose entourage is stirring up the village of Kassiopi while filming his new movie. He's hot, he's unexpectedly different, but is he for real?

Caught up in a media frenzy, feeling unwelcome and uncomfortable in Nicholas' movie world, Freya battles with the ghosts of her past and the uncertainty of her future. Can she help Emma, keep her own big secret and find out what Nicholas is hiding, before she feels the urge to run away again?
