Kuerer's Breast Surgical Oncology By Henry Kuerer

A complete multidisciplinary guide to breast surgical oncology

Includes DVD with surgical video clips and breast ultrasound atlas

A Doody's Core Title for 2011!

A British Medical Association Book Awards Runner-up, Oncology category!

"Kuerer's new textbook of Breast Surgical Oncology is a comprehensive volume that contains exceptionally detailed and thorough information about the diverse aspects of breast cancer care, and would serve as a valuable resource for any breast cancer clinician, regardless of their specialty. ... (the book) is easy to read and navigate, where clinicians can quickly obtain reliable, up-to-date information on a broad range of topics relevant to breast cancer.

--*Annals of Surgery*, August 2010

4 STAR DOODY'S REVIEW!

"...a comprehensive and authoritative synthesis of current information is sorely needed, and this book fulfills that need admirably....The figures (many in color) and tables reproduce beautifully. The chapters on ultrasound, clinical trials, and plastic surgery, are particularly valuable. This is a terrific and incredibly useful book on breast surgical oncology, and will be an important reference in the field."--*Doody's Review Service*

Written by an internationally recognized multidisciplinary team of authors, *Kuerer's Breast Surgical Oncology* is the first text specifically dedicated to breast surgical oncology. Turn to any page, and you'll find cutting-edge, evidence-based information and insights—supplemented by a full-color presentation and a companion DVD—all designed to help provide a solid foundation for current and future best practices.

Kuerer's examines all clinically relevant knowledge in the field, from the pathology of the breast and clinical management, to follow-up and complications following diagnosis and therapy. The book also focuses on the next wave of

molecular studies that represent the future of the discipline.

Features

- Complete integration of the relevant disease pathology with clinical management
- Major sections on both oncoplastic and advanced operative management procedures
- An entire section on landmark breast cancer clinical trials that highlights essential knowledge and evidence in the field
- Full-color design with 750 illustrations that depict anatomy, breast cancer pathology, and trial results
- A DVD with surgical video clips that details some of the important surgical techniques and procedures featured in the text
- An entire section on breast imaging and an atlas on breast ultrasound and biopsy techniques that facilitate accurate diagnosis and treatment
- Timely, special chapter on the influence of the media and the internet on breast cancer care and the funding of breast cancer research
- A detailed overview of currently open and accruing clinical trials, along with the future critical questions that must be answered to move the field forward
- Coverage of molecular findings that provides an enhanced perspective on the full spectrum of malignancies with which they work

From reader reviews:

Desmond Goforth:

Do you have favorite book? Should you have, what is your favorite's book? Publication is very important thing for us to find out everything in the world. Each book has different aim or maybe goal; it means that e-book has different type. Some people really feel enjoy to spend their time and energy to read a book. They may be reading whatever they consider because their hobby is reading a book. What about the person who don't like studying a book? Sometime, person feel need book after they found difficult problem or exercise. Well, probably you will want this Kuerer's Breast Surgical Oncology.

Michael Canton:

Have you spare time for any day? What do you do when you have a lot more or little spare time? Yeah, you can choose the suitable activity with regard to spend your time. Any person spent their own spare time to take a walk, shopping, or went to the actual Mall. How about open or maybe read a book titled Kuerer's Breast Surgical Oncology? Maybe it is to become best activity for you. You already know beside you can spend your time using your favorite's book, you can better than before. Do you agree with it has the opinion or you have some other opinion?

Clifford Caldwell:

What do you concentrate on book? It is just for students as they are still students or the idea for all people in the world, the actual best subject for that? Simply you can be answered for that problem above. Every person has various personality and hobby for each other. Don't to be forced someone or something that they don't need do that. You must know how great and important the book Kuerer's Breast Surgical Oncology. All type of book is it possible to see on many methods. You can look for the internet methods or other social media.

Reuben Beaubien:

Reading a reserve make you to get more knowledge from this. You can take knowledge and information from a book. Book is created or printed or outlined from each source that will filled update of news. In this particular modern era like at this point, many ways to get information are available for a person. From media social similar to newspaper, magazines, science e-book, encyclopedia, reference book, story and comic. You can add your knowledge by that book. Ready to spend your spare time to open your book? Or just looking for the Kuerer's Breast Surgical Oncology when you necessary it?
