The Eagle Has Flown By Jack Higgins

As an increasingly isolated and insane Hitler pursues his hopeless war, betrayal and treachery reach the highest levels of the Third Reich. German intelligence knows that paratroop officer Steiner survived "Operation Eagle", the bungled assassination attempt on Winston Churchill, and is now a POW somewhere in London. Reichsführer Himmler wants him back - at any cost - and puts his top espionage agents in charge of the perilous rescue mission. Racing from the nightclubs of Lisbon to Hitler's opulent country retreat to the damp streets of London, Himmler's men get closer to their target - and to the shattering true objective of their mission. . . .

Editorial Review

Review

"Kirkus Reviews" A spirited sequel to "The Eagle Has Landed"....This engrossing follow-up...displays a veteran's craftsmanship....A robust tale, told with gusto.

"Publishers Weekly" A triumphant return to the settings and characters from Jack Higgins' most famous novel, "The Eagle Has Landed." The master of the WWII thriller is at the top of his form.

About the Author

Jack Higgins is among the world's most popular authors. Since the publication of The Eagle Has Landed - one of the biggest selling thrillers of all time - every novel he has written has become an international bestseller, including Day of Reckoning and Midnight Runner. He has had simultaneous number one bestsellers in hardcover and paperback, and has been published in thirty-eight languages worldwide. He lives with his wife on Jersey in the Channel Islands.

Users Review

From reader reviews:

Robert Marques:

What do you think of book? It is just for students since they are still students or the idea for all people in the world, the particular best subject for that? Simply you can be answered for that query above. Every person has several personality and hobby per other. Don't to be pushed someone or something that they don't need do that. You must know how great as well as important the book The Eagle Has Flown. All type of book would you see on many resources. You can look for the internet methods or other social media.

George Seal:

As people who live in typically the modest era should be revise about what going on or info even knowledge to make these individuals keep up with the era that is certainly always change and make progress. Some of you maybe may update themselves by studying books. It is a good choice for you personally but the problems coming to you actually is you don't know which one you should start with. This The Eagle Has Flown is our recommendation to cause you to keep up with the world. Why, as this book serves what you want and need in this era.

Maria McGhee:

A lot of people always spent their very own free time to vacation or go to the outside with them household or their friend. Were you aware? Many a lot of people spent many people free time just watching TV, or even playing video games all day long. If you wish to try to find a new activity here is look different you can read some sort of book. It is really fun to suit your needs. If you enjoy the book you read you can spent all day long to reading a book. The book The Eagle Has Flown it is rather good to read. There are a lot of those who

recommended this book. They were enjoying reading this book. If you did not have enough space to bring this book you can buy often the e-book. You can more very easily to read this book from the smart phone. The price is not too costly but this book possesses high quality.

Kevin Dobson:

Do you like reading a e-book? Confuse to looking for your chosen book? Or your book seemed to be rare? Why so many concern for the book? But almost any people feel that they enjoy for reading. Some people likes reading through, not only science book and also novel and The Eagle Has Flown or others sources were given understanding for you. After you know how the great a book, you feel need to read more and more. Science guide was created for teacher or students especially. Those guides are helping them to increase their knowledge. In some other case, beside science publication, any other book likes The Eagle Has Flown to make your spare time far more colorful. Many types of book like this.
