### Transplantation - Print and E-Book: A Companion to Specialist Surgical Practice, 5e From Brand: Saunders Ltd.

Transplantation meets the needs of surgeons in higher training and practising consultants for a contemporary and evidence-based account of this sub-specialty that is relevant to their general surgical practice. It is a practical reference source incorporating the most current information on recent developments, management issues and operative procedures. The text is thoroughly referenced and supported by evidence-based recommendations wherever possible, distinguishing between strong evidence to support a conclusion, and evidence suggesting that a recommendation can be reached on the balance of probabilities.

This is a title in the *Companion to Specialist Surgical Practice* series whose eight volumes are an established and highly regarded source of information for the specialist general surgeon.

- The Companion to Specialist Surgical Practice series provides a current and concise summary of the key topics within each major surgical sub-specialty.
- Each volume highlights evidence-based practice both in the text and within the extensive list of references at the end of every chapter.
- Purchase of a print book also includes a downloadable version of the eBook.
- This new Fourth Edition is presented in colour throughout, including colour photographs of operative procedures, investigations and clinical signs throughout.
- The entire contents have been comprehensively updated with particular reference to the evidence-based content of each chapter.
- An expanded group of authors provides an increased international dimension to the content of all volumes.
- Purchase of a print copy includes a downloadable version of the eBook which you can also access on your iPhone, iPod Touch or iPad.
- In addition the books are available for purchase as a single volume or as part of a set of all eight volumes in an elegant slipcase.
- Fully updated to reflect the multidisciplinary team approach to transplant

medicine.
