Want to make it out of HorrorLand alive? You'll need this survival guide--filled with all the background, tips, and insider info we could find.

Luke and Lizzy Morris weren't sure who-or what-would see their ad. It was a risk, but they had to find out the TRUTH about HorrorLand, otherwise the kids who were lured there would never make it out alive. Between the pages of this cool survival guide, readers will get closer to discovering whether or not there are werewolves in Wolfsbane Forest, why kids are disappearing, and why there aren't any mirrors at HorrorLand. One thing is for certain: something very wrong is happening in HorrorLand, and this guide is the only thing that will help you figure out what.
